POLICIES & PROCEDURES

This form serves as your receipt and acknowledgement of registration. No other correspondence will be forthcoming until the seminar.

Your formal tuition receipt for tax purposes will be provided at the class (Canada only). The tax receipt covers tuition only. Manuals, products, books, videotapes, cassettes, board, lodging, etc. are not included.

To better serve you, and to prevent time-consuming line ups at registration, the balance of tuition fees are to be paid as indicated upon registration prior to the event. Postdated cheques and credit cards at time of enrollment are required.

All deposits paid on seminars are non-refundable.

On Seminar start date, registration starts at 6pm (unless otherwise indicated) and class begins promptly upon completion of registration.

A \$20 service charge will apply to all N.S.F. cheques and credit card declines.
